

Your Volunteer Role:

Befriender

Volunteering at Crossroads Together

Crossroads Together is a registered charity with a vision for every carer to be recognised, supported and offered services to help them maintain their own health and wellbeing. Volunteers form a key part of our team and thereby make a valuable contribution to the support we offer. We have a number of volunteering roles and we work hard to match key skills to the right role to ensure our volunteers feel fulfilled within their role.

What this role involves

As a volunteer befriender, you will have regular contact with at least one carer in need of someone to talk to outside of their caring role. Your volunteering role may include:

- Visiting carers in their own homes
- A weekly telephone call to a carer
- A social visit to a café and a cup of tea
- Accompanying a carer to a social activity or supporting them with a shared hobby

This is a great opportunity to make a real difference to someone's life along with providing you with an opportunity to help someone whilst making new friends

We will offer you

- ⇒ A first class induction, training and support along with reimbursement of local travel expenses
- ⇒ A reference to future prospective employers on request
- ⇒ An opportunity to make a real difference to an individual on a one to one basis
- ⇒ A chance for you to meet some new people and make new friendships
- ⇒ An opportunity to join a friendly volunteering team
