

Your Volunteer Role:

Volunteer Driver

Volunteering at Crossroads Together

Crossroads Together is a registered charity with a vision for every carer to be recognised, supported and offered services to help them maintain their own health and wellbeing. Volunteers form a key part of our team and thereby make a valuable contribution to the support we offer. We have a number of volunteering roles and we work hard to match key skills to the right role to ensure our volunteers feel fulfilled within their role.

What this role involves

As a volunteer driver, your role is vital in making sure people can attend a social group. You will get to know regular people to transport to/from a social group at Overton House in Congleton. You can have use of our vehicle or use your own, if you have business insurance. Your role will include:

- Having a planned route to pick up/drop off a couple of people
- Getting to know your regular pick ups/drop offs
- Chatting to them about how they are

This is a great opportunity to make a real difference to someone's life along with providing you with an opportunity to help someone whilst making new friends.

We will offer you

- A first class induction, training and support along with reimbursement of local travel expenses
- A reference to future prospective employers on request
- An opportunity to make a real difference to an individual on a one to one basis
- A chance for you to meet some new people and make new friendships
- An opportunity to join a friendly volunteering team
