

Carer Support Worker Job description

Staff will be encouraged and supported to see their work in terms of helping people to achieve their goals and desired outcomes and not just to perform the prescribed tasks. The job description is a broad description of the duties a Carer Support Worker will be expected to perform with some examples given for what the main duties actually involve. The exact duties to be carried out for each person with care needs are not limited to those examples; these will be agreed with a senior member of staff before the Carer Support Worker begins providing support and will then be set out in a person centred care plan. Comprehensive induction training will be provided. Staff will not work unsupervised until induction has been successfully completed.

Crossroads Together provides support to carers and people with care needs 24 hours a day, 365 days a year. The Carer Support Worker's working pattern will be agreed between them and a senior member of staff.
