

16TH MARCH YOUNG CARERS ACTION DAY INVITE

What's happening?

LUNG have been working with a group of young carers from Salford, Kent, North Wales & Cheshire West in partnership with four incredible young carers services and arts venues. We are called YC Creative Makers and we have been meeting weekly for the last 6 months and been developing as artists and getting to know other groups of young carers across the UK. To celebrate these incredible artists on action day, we are sharing some of our work and would love you to come and see it! We have been getting inspired around the theme of 'connection'. This will be a short (30 min) webinar event where you can rock up with a cup of tea or hot chocolate and enjoy the work that's been made so far on the project.

Who is LUNG?

Founded in Barnsley in 2012, LUNG is a campaign led verbatim theatre company that tours work nationally. We work closely with different communities to make verbatim theatre and hidden voices heard. LUNG creates work that shines a light on political, social and economic issues in modern Britain, using people's actual words to tell their stories.
