

How can we support your school?

Our Services

At Crossroads Together we know how important education is for young people. This is why we offer a range of services to any young person aged between 8 - 18 who may be classed as a young carer.

Our services include 1:1 targeted support and personal development sessions that run during term time as well as group activities throughout half term and the summer holidays.

'27% of young carers aged between 11-15 miss school or experience educational difficulties' - Children's Society

The Young Carers in Schools Award

A great way you can help your young carers is by taking part in the Young Carers in Schools award, which is an England-wide initiative that helps schools identify and support young carers.

The scheme consists of 3 awards; Bronze, Silver and Gold. You can progress through the different levels by using the step by step guide, which is provided in the award pack given after completing the baseline review, and also by evidencing how you are meeting the 5 key standards: **understand, inform, identify, listen and support.**
