## **‘Who Cares’ Education Resource**

LUNG's award winning play 'Who Cares' is now available for anyone (young carers services, schools, young people focused organisations).

The play was made with a group of young carers in Salford and they were involved in all aspects of making the production.

It was performed on BBC Radio 4 and at The House of Lords.

**LUNG** is a campaign led verbatim theatre company that tours work nationally. We work closely with different communities to make verbatim theatre and hidden voices heard. LUNG creates work that shines a light on political, social and economic issues in modern Britain, using people’s actual words to tell their stories.
